**PETITION TO WITHDRAW**

---

Comes now Cartwright Creek Utility Company, Inc. ("Cartwright Creek") and submits this Petition to Withdraw its Petition bearing Docket Number 04-00009 (the "Petition") to the Tennessee Regulatory Authority ("TRA"), which seeks to amend Cartwright Creek's current Certificate of Public Convenience and Necessity ("CCN") to expand its existing sewer service to a portion of Williamson County, Tennessee.

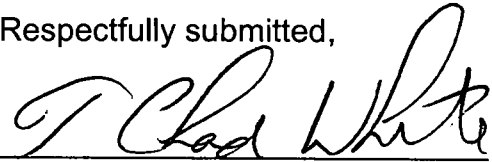

As grounds for its petition, Cartwright Creek states (1) that the Petition was filed on January 8, 2004; (2) that since the time of filing the Petition, Cartwright Creek and TRA representatives agreed not to initiate the review process concerning the petition due to certain additional needs regarding same; (3) that since the time of filing the Petition, Cartwright Creek has decided to transfer its authority to provide utility services to Sheaffer International, LLC's Tennessee entity to be duly authorized to conduct business in the State of Tennessee upon TRA approval of a properly filed petition regarding said transfer; and (4) that in light of the facts above, any Petition seeking to amend or otherwise alter

Cartwright Creek's current Certificate of Public Convenience and Necessity would be most efficiently and effectively made following the filing of the petition seeking the transfer of authority to provide utility services.

In light of the ground state above, Cartwright Creek's above-captioned Petition bearing Docket Number 04-00009 should be dismissed.

Filed this the 21<sup>st</sup> day of June, 2004.

Respectfully submitted,
